IMPORTANT

- This form is for anyone who would like to book a stall pitch on the Ross Carnival Field on Saturday 1st August 2020.

STALL TYPES & CHARGES

- Food Stalls* (price on application).
- ***If you have a food stall, please send an email to info@rosscarnival.org.uk to enquire.**

Please arrive for set-up before 11:00am, failure to do so may result in pitch reallocation or withdrawal. Upon arrival on the Carnival Field, please report to the Field Marshall who will escort you to your designated pitch. You MUST have appropriate insurance and any necessary licences and test certificates where required with you on the day for inspection. Due to limited space and concern for public safety we implement a 1 car per stall policy after set-up. Additional vehicles must be moved off site before 11:00am when the field opens to the public. Please do not move vehicles after this time without consent and presence of a Field Steward. Please ensure your pitch is left clean and tidy at the end of the day.

Return this section by **Saturday 25th July 2020**. Hand completed entry forms should be scanned in and emailed to info@rosscarnival.org.uk or posted/handed in to: Andrew Buffrey, 8 Foxglove Close, Ross-on-Wye, HR9 7RH.

Please indicate on the form below the size of your required pitch, we will endeavour to accommodate your request.
